**Picture orders are due no later than March 31<sup>st</sup>.** Please stop in the office with questions.

### **DRESS CODE**

It is important that proper dance attire be worn in class. We are getting many students still coming to class in street clothes. Students will not be allowed in class if they are not wearing proper attire. Check our website or the announcement TV in the studio lobby for a complete dress code.

### **STUDENT ATTENDANCE**

We still have students with very poor attendance. Just a reminder!! It is studio policy that if a student has excessive absenteeism, the instructor has the option to tell the student that they will not be able to perform in the recital (even if a costume has been ordered). It is not fair to the students who attend classes regularly. We do not like to do this, and we will give the students every opportunity to get caught up, but we ask that each student gives 100% and attends classes regularly.

### **QUOTE**

Those aren't gray hairs. They are strands of glitter.
